How it works:

1. Write a destination, name, date or anything you wish on the sticker...
2. Fold the tab under where indicated to activate the color-changing process.
3. The sticker **changes color overnight** to prevent reuse. **VALID** today, **VOID** tomorrow.

Expiring DOT SETS

Expiring **DOT SETS** indicate that your visitors and employees have been screened that day and **change color** to prevent reuse.

Apply to current badges or clothing.
